

STATE BOARD OF EQUALIZATION  
STAFF LEGISLATIVE BILL ANALYSIS (SHORT FORM)

Date Amended	03/01/01	Bill Number:	SB 19
Tax:	None	Author:	Escutia, et al.
Board Position:		Related Bills:	

The bill, as amended, is no longer within the scope of responsibility of the Board.

**COMMENTS**

The March 1, 2001, amendments delete the proposed quarterly allocation of all sales and use tax revenue derived from retail sales of carbonated beverages to the Pupil Health and Achievement Trust Fund. This bill still contains provisions relating to pupil health and nutrition. The amended version of this bill would fall outside the Board's purview.
